

06/16/07 - Paul Van Dyk at Avalon Boston (Last show!)

Avalon Boston is getting rebuilt later this year so this is Paul Van Dyk's last show at Avalon Boston as we know it. Becky was not able to make the show because she was in CT.

So it was Me, Keith, Megan and Geoff!

Thanks to Shane to hooking us up (he is the 'visual guy' at Avalon)

As you might know, JetBlue has live DirecTV and XM Radio during the flight (the reason why I only fly JetBlue)... what was playing on XM on my way home?... thats right lol.

Here's a video clip, turn down the audio because it sucks:
