

09/04/07 - T-12.... and counting. ;)

WOW, 12 days left!!! 12 days of being a non parent lol....

What should I do in the next 12 days? Doesent it work like the wedding? I get a HUGE party!

Oh yeah, EVERYTHING is about the baby now. I guess those days of being a non-parent ended 9 months ago LOL. ?

We still need to get a stroller... we are debating between two different ones.

1. The PegPerego stroller, we already have their car seat.

2. The Bugaboo Cameleon (My Favorite but lots o \$\$)

Im still working on the baby's room... I was told by the Project Manager Becky that my deadline was Sep. 16th. Im going to be a good week ahead of schedule, but I have a feeling she wanted it done a good month BEFORE Sep 16th... which would have been Aug 16th. I never got the memo ?Of coures its Tuesday night and what wild and CRAZY thing do I do every Tuesday night?

yes... Bowling. Im getting kind of good at this lol, Keith is having a low point but he will come back soon.

I bowled two 200+ games today! and Keith and I tied the last game (last week).

(Yeah yeah... dork!)
